The Desert Eagle stainless Mark XIX pistol caliber combo pack! This multi-caliber package starts with the mighty Desert Eagle pistol in all stainless steel, with accessory rail and integral muzzle brake. In addition, each set comes with two, 6" barrels; one chambered in powerful .50 Action Express, and a second chambered in the hottest new magnum, .429 DE! This latest caliber for the Desert Eagle family achieves unheard of performance, by mating a .44 caliber bullet with a bottlenecked .50 AE case. The result is a 25% increase in velocity, and a 45% increase in muzzle energy over the 44 Magnum caliber.

The caliber combo set gives the shooter the best of both worlds, with a top-of-the-line stainless Desert Eagle that can shoot either .50 AE or .429 DE from the same frame. Simply swap barrels to change between the two most powerful cartridges ever offered in a Desert Eagle pistol!
