Kahr Firearms Group partners with Outlaw Ordnance

Kahr Firearms Group displayed firearms at the recent SHOT Show from a joint project with Outlaw Ordnance.

ABOUT

Kahr Firearms Group, formed in 2012, includes Kahr Arms, Auto-Ordnance and Magnum Research. KFG Headquarters reside in Greeley, Pennsylvania.

The highlight is the Desert Eagle 1911CSS – .45ACP with stainless steel frame and slide and 4.33in bull barrel. This custom model features a deep laser engraving of “We The People” on the left side and a portion of the Second Amendment: “Our right to keep and bear arms shall not be infringed,” on the right side.

The firearm has a two-colour Cerakote finish in black and titanium, finished with a clear coat. It also has titanium controls and a matte black frame. The grips are engraved with approximately 40 signatures from the Constitution.

Kahr Firearms Group displayed the “We The People” Custom Desert Eagle 1911, among other works by Outlaw Ordnance.

Formerly known as Concealment Commander, Outlaw Ordnance began its work humbly in 2012 making custom holsters. As demand grew, it opened a store in 2014. Growth steadily continued, and in 2016, it began custom engraving and firearm finishing. Based out of West Monroe, LA, the owners Chip Pierce and Nakia and Jennifer Jackson, have grown their hobby into a dream business.

From the team comes the

statement: “God started us on this journey together, and although we’ve been faced with many challenges, it has been truly amazing. We’re blessed to work with large and small companies, celebrities, veterans, and have even personalised firearms for families of fallen heroes. It’s an honour to work with the companies of Kahr Firearms Group on these projects. Also we are thankful to have @themanspot and @crispy11b (Omar ‘Crispy’ Avila) working together with all of us to help promote the custom pieces.”
