**Magnum Research Introduces the Presidential Desert Eagle**

(Pillager, MN) - Magnum Research, Inc, maker of the world-famous Desert Eagle pistol and leader in innovative firearms design and manufacturing, is proud to introduce the Presidential Desert Eagle.

For the ultimate fans of President Trump, Kahr Firearms Group presents the “Presidential Desert Eagle”. This beautifully adorned .50AE pistol will be distributed exclusively by Davidson’s Inc. The artists at Outlaw Ordnance ornately engraved the slide and frame with detailed illustrations depicting President Trump, his signature, motto, title, and elegant scrollwork. Within the scrollwork are hidden “Easter eggs” commemorating various achievements throughout his life. The left side of the slide denotes his status as “45th President of the United States”. The polished Hogue aluminum grips contain the Presidential Seal, and images of the Trump family. All metal surfaces on the gun are matte stainless.

Each Presidential Desert Eagle starts life as a Magnum Research model DE50SRMB. The barrel is 6” long with an integral muzzle brake and rail for optics mounting. The frame features a rail for accessories. Sights are fixed, combat type. The entire gun is made in the United States, from stainless steel. One seven round magazine is included. The Presidential Desert Eagle (DE50SRMBC1) has an MSRP of \$3,007.
