Magnum Research Introduces White Tiger Desert Eagle

(Pillager, MN) - Magnum Research, Inc, maker of the world-famous Desert Eagle pistol and leader in innovative firearms design and manufacturing, is proud to introduce the new White Tiger Stripe Desert Eagle.

The White Tiger Desert Eagle pistol from Magnum Research is now shipping. This model is the latest handgun in the custom “Tiger Stripe” series. Its White Tiger finish is created by alternating a pattern of matte and high polish stripes. It joins the previous Gold Titanium, and Black Tiger Striped models, offering shooters another custom finish option for the powerful and accurate Desert Eagle magnum autoloader.

The White Tiger Desert Eagle is made in the USA and is available in .44 Magnum (DE44WTS) or .50 Action Express (DE50WTS) calibers. The pistol’s slide and frame are stainless steel, and feature a 6” stainless barrel with integrated muzzle brake. Like all Desert Eagles, the White Tiger represents the pinnacle of style, power and accuracy in a semi-automatic handgun! The DE50WTS comes with a 7-round magazine and the DE44WTS comes with an 8-round magazine. Both caliber models have an MSRP of \$2,254. Contact your local firearms dealer to purchase.
