TRUMP PROMISE

C U S T O M D E S E R T E A G L E

Magnum Research presents the "Trump Promise" Desert Eagle, the perfect handgun for the collection of any devoted fan of the 45th President. Each of these finely engraved pistols is guaranteed to be a prized showpiece. The artists at Outlaw Ordnance ornately engraved the slide and frame with detailed illustrations depicting President Trump, his signature, the Presidential Seal, "Save America", and "Promises Made, Promises Kept". An American Flag is featured on each side of the barrel. The aluminum grips display the flag, and a bald eagle. The finish colors are beautiful Armor Black and Snow White Cerakote.

Each Trump Promise Desert Eagle starts as an L6 model with muzzle brake, chambered in powerful .50 AE. The lightweight aluminum frame of the L6 helps keep weight down for ease of carry. The Desert Eagle's famous gas action and muzzle brake reduce recoil, taming the power of the .50 AE magnum cartridge. The overall length with muzzle brake is 10.75", and it features a top rail for mounting optics. Its slide is made from steel. The frame features an accessory rail for lights and lasers. Sights are fixed, combat type. Overall weight is 3 lbs, 7 oz. The entire gun is made in the United States. One seven round magazine is included.

The Trump Promise Desert Eagle is exclusively available from Davidson's and Gallery of Guns.
