BLACK AND GOLD DEAGLE

The special edition "Black and Gold" Desert Eagle features a striking two-tone color scheme. The barrel, controls, trigger, pins, hammer, rear sight, and magazine base are finished in highly polished Titanium Gold. This coating is not only beautiful, but highly durable and resistant to wear. The rest of the pistol is colored matte black. The overall effect is eye catching, making the Black and Gold Deagle one of the most distinctive configurations of the iconic Desert Eagle ever offered.

The Black and Gold Desert Eagle will be offered through all Magnum Research distributors. Calibers available are .50 AE, or .44 Magnum.

MSRP: \$2,612 (DE50BATG) / \$2,612 (DE44BATG)

The Kahr Firearms Group family combines Kahr Arms, Magnum Research, and Auto-Ordnance, into a single American brand providing products of exceptional quality for the discerning consumer. Kahr Arms is the original expert at making compact, semi-automatic pistols. The C, P, and K series handguns represent the best option for concealed carry. Magnum Research Inc. produces the Desert Eagle, and BFR handguns. The recognized magnum handgun experts, Magnum Research also produces the ultralight, super accurate SwitchBolt rimfire rifle. Auto-Ordnance manufactures a range of historical firearm reproductions, including the legendary Tommy Gun, 1911 pistol, and M1 Carbine. All three brands make up the Kahr Firearms Group family of firearms.
