

Conflict in Israel Impacts MRI 1911 and Baby Eagle Availability

Press Release: 11/5/23

Pillager, MN: Magnum Research, Inc., partners with Bul Armory in Israel, to produce the Magnum Research 1911 and Baby Eagle pistols. The ongoing conflict in Israel will be impacting availability of these products for the foreseeable future. All shipments of these guns could be delayed or stopped without notice. Magnum Research is keeping in close communication with our partners in Israel, and will update vendors as the situation evolves. Distributors and dealers should contact their local H&G Outdoors sales representative for any questions about product availability. Kahr Firearms Group proudly stands by our friends in Israel during this difficult time, and extends our greatest sympathy for the terrible losses suffered by them, their families, and their nation.
