250 YEARS OF LIBERTY

LIMITED EDITION DESERT EAGLE

Magnum Research is proud to announce a patriotic masterpiece celebrating the Semiquincentennial of the United States: the "250 Years of Liberty" Custom Desert Eagle. Created in exclusive collaboration with Koted Arms, this limited-edition .50 AE pistol combines legendary power with heirloom-quality craftsmanship.

This custom build serves as a functional canvas of American history. The slide features deep relief engraving of "We The People" in historic script, flanked by ornate scrollwork and the dates "1776" and "2026." The muzzle is boldly engraved with "USA" within a shield motif, while custom lasered and plated steel grips display a majestic eagle and shield design, ensuring the spirit of freedom is felt in every handling.

The pistol boasts a striking two-tone finish engineered for beauty and durability. A lustrous Hard Nickel coating on the frame and slide provides a bright canvas, contrasted by a High-Temp, High-Performance Bronze PVD treatment on the barrel, grips, and small parts. To make the artwork pop, all engravings are filled with Black Cerakote, paying homage to America's heritage of metalworking craftsmanship.

Only 100 will ever be produced, and each includes a certificate of authenticity with a unique serial number. One 7-round magazine is included.
